

JANUARY 2007

The VOICE of the TRIAL ADVISORY COMMITTEE

Chairman's message

2006 is now behind us with the closing "That's a trial!" call heard at the Chino grounds in Southern California this past New Year's Eve. It's been a truly great year, from the running of the winter circuit in the south to the spring and fall seasons throughout the north, summer earthdogging, then back down south for what has become a completely year round "season." DCA 2006 field events were a tremendous success due to the very fine efforts of everyone involved and we are now looking forward to the running of the jackrabbits in California for DCA 2007. Please remember to support every one's efforts by considering sponsoring these events, especially if you are unable to attend. It takes a big organization to do these up right, and we should not have to rely solely on the entry fees alone, especially of those who have to deal with the expense of travel as well. There is a sponsorship form included in this issue of the Voice. Looking back on the year we've continued moving in to the modern era (sometimes kicking and screaming!) as we have the world wide web being successfully used more and more to further communication. Premium lists are readily distributed on the DACHS\_FIELD\_INFO list as well as on club websites, special notices are relayed across the country and the world in a matter of seconds, and we've also established a forum for discussion among DCA members with the DCA\_Performance\_Events group. Even if you are not a list member you may access the posts to read. They've been incredibly informative, educational...and ALWAYS entertaining!!! Hopefully we are able to bring discussions and knowledge from within the confines of club houses and vehicles packed with trialers and open them up for to so many more may become involved, and learn. Please consider signing up if you haven't already. Through this and similar communications we have been able to become aware of and impact such proposed anti-hunting legislation as the CA AB 2110 (which very nearly cancelled out the 2007 national.) We must always remain vigilant and participatory if we expect to be able to continue on with the sport we so dearly love. The TAC has been dealing with a few "housekeeping chores" with the AKC which are ever so gradually being worked out. There is a submitted proposal from DCA to eliminate the need to submit original entry forms with trial results, and there is a move towards submitting a request to allow individual clubs to hold more than two trials a year. More info on this is coming...We continue to review the growth and integrity of our sport through considerations of such ideals as judging qualifications and continuing education, and there are still ideas being shared around about the possible development of hunt test scenarios. Whether or not these are actually ever enacted may prove to be secondary to the growth we've already had simply discussing our ideals and experiences.

Finally, during the last days of 2006, DCA and the field event community lost one of its most stalwart supporters in the unexpected passing of Penny Wimer of Georgia. Penny unfortunately had missed out on the glory side of a long field event career and was likely not especially noticed by those searching through the win columns. However, for over 40 years she was one of the rocks, a solid foundation over which much of the southeast's field events were built. By putting herself out there as frequent chair and secretary of tracking tests, field trials and earthdog tests (including 3 nationals) she became one of the reasons for them to exist at all (many of you who have done likewise understand what I'm talking about here.) She was a tireless supporter of and encouraged any one who approached with an interest in the field, in fact I first met her when she contacted me about tracking from 3000 miles away. Perhaps our best possible resolutions for 2007 (and beyond) would be to remember her career and those who similarly "put so much out" so that these programs can exist and try to emulate them ourselves. Even a small individual contribution goes a long way when we are many.

Tally Ho!!!
Jean

**NOMINATION FORM FOR**

**2008 DCA NATIONAL FIELD TRIAL & EARTHDOG JUDGES**

DCA National Field Trial on Thursday – Friday, January 24/25, 2008 in Ladonia, TX  
DCA National Earthdog Test on Sunday, January 27, 2008 in Ladonia, TX

TAC suggests DCA National Field Trial Judges have a minimum of 10 trials experience, and that DCA National Earthdog Judges be approved through the Master level. The DCA National judging fee (currently \$100 per judge within their region, \$200 per judge outside their own region, \$50 for additional classes) must be agreeable to the nominee in order for their name to be submitted on this form. A ballot listing all nominated judges will be published and available to all DCA members. DCA members' votes must be mailed to the designated teller for tabulation by the date indicated on the ballot. Judges will be selected based on the number of votes they have received.

## Penny Wimer

There will not be a service, but there will be a memorial service at a later date. When those plans are in place, I will send out that information. I am putting Penny's sister's name and address below for anyone wanting to send her a card or note. She arrived in town last night to handle Penny's affairs.

Mrs. Sally (David) Stiles  
236 Tutter's Neck  
Williamsburg, VA 23185

If anyone wants to make a donation in memory of Penny, some suggestions are: The Morris Foundation, AKC Canine Health Foundation or The Sundowners Fund at the University of Georgia.

Gail LaBerge

---

Many DCMA members have discussed Penny's love of Tracking and her fear that there would not be enough money to support the event for DCA's of the future. We have decided to make donations to the Tracking events for DCA 2007 in Penny's memory.

Anne Carson  
President, DCMA

---

Penny was an important and invaluable member of the field trial community and in particular the Dachshund Club of Metropolitan Atlanta and DCA. As such, we are planning a memorial service for Penny at our DCMA Field Trial on 3/31/07. We would like to invite folks to attend this service and honor her memory by sharing your thoughts, stories and/or any happy memories that you may have. Please pass this on to folks in your Region.

DCA FIELD TRIAL MERIT AWARDS: DCA Membership requirements for Awards will be in accordance with current policy as determined by the DCA Board for DCA Merit Award Programs. Only those points earned for placements in the Field Champion stakes at AKC licensed or member trials will count toward the DCA Field Trial Merit Awards. Points are tabulated using the Delaney System +1 for first through fourth place, based on the number of starters. In the case of ties, dogs will receive the same place award, with the next place(s) being skipped. A minimum of two placements in Field Champion stakes during the award year are required to earn an award, and/or be included in preliminary listings.
